

Procedure for Processing Transmission Services Requests to or from the Miles City DC Tie

Effective 12:00 Noon, 04/16/2007

The Policy for submitting requests for transmission service to or from the **MCWEST.YTP**, **MCWEST.YTW**, and **MCWEST.WAUW** Points of Receipt or Points of Delivery on the OASIS:

The following policy affecting requests for transmission service to the subject service points submitted between 12:00:00 noon and 12:05:00 p.m. Central Time shall be observed.

If more than five (5) requests are submitted by the same Transmission Customer or group of Affiliated Transmission Customers within the specified time period to either one of the service points then all such requests shall be considered as invalid.

MAPP and Western Area Power Administration will set the status of all such invalid transmission requests to INVALID. (For example, Six requests to or from MCWEST.WAUW submitted between Noon and 12:05 p.m. by the same Transmission Customer or group of Affiliated Transmission Customers would have ALL (6) set to INVALID.)

All inquiries as to the affiliation status of any transmission customers must be forwarded via e-mail to the Transaction Coordinator at tcrd@midwestiso.org.
